TIPS:

1. Fees must be paid by personal check, money order, or cashier's check. Make your personal check, money order, or cashier's check payable to: "**U.S. Department of Homeland Security**".

Do NOT make your check payable to: "Department of Homeland Security" without the "US". They are very picky about their name.

2. Remember to put a "DATE" on your Payment Check. Your check must be dated. Also, make sure to sign your check and do NOT endorse it on the back.

3. If either you or your fiancée were married before, include copies of documents (Divorces, Annulments, or Death Certificates) showing that "each prior marriage" was legally terminated. Make sure to include copies of ALL divorces and/or annulments that you have EVER had or they could deny you. Philippine annulments must have been registered with the Philippine Statistics Authority (PSA).

4. Do NOT enlarge or reduce the size of your passport when making copies. They must be the actual size with no modifications.

5. Anywhere there is a date box next to your signatures, be sure to put the date.

6. **At the bottom of every page of your I-129F form there is a bar-code and page number and these MUST show when you print your form or they will not accept it.**
