K-1 Visa Petition Instructions

Carefully read all instruction pages. Mail the documents in the order listed on the cover letter (not the order on these instructions). All immigrants must obtain a passport to enter the USA, including children. If the immigrant does not have a passport he/she should apply for one in his/her country now. Take a look at the border surrounding this page. All pages with this border must be removed before mailing.

Next Steps:

• Kenneth must sign the form titled "I-129F Cover Letter".

• Kenneth must sign page 10 of Form I-129F near the top right block 6.a. where it says Petitioner's Signature.

• Kenneth must attach Documentation of Termination of all Prior Marriages.

• Find the "Fiancé(e) Letter of Intent" with Kenneth's name at the bottom. Have Kenneth sign at the bottom above the name.

• Find the "Fiancé(e) Letter of Intent" with Jemille's name at the bottom. Have Jemille sign at the bottom above the name.

• Find passport photo instructions for Sponsor. Replace with Kenneth's passport photo.

• Find passport photo instructions for Beneficiary. Replace with Jemille's passport photo.

• Find the Page titled "Sponsor's Proof of Citizenship". Replace this page with a copy of either your Birth Certificate, Passport, or Naturalization Certificate. Further instructions are provided on the "Sponsor's Proof of Citizenship" page.

• The filing fee for your K-1 visa petition is $675.00. Pay by check or cashier's check. We recommend that you use a personal check so you will know when it has been cashed. Make the check payable to "U.S. Department of Homeland Security". Do not use the initials "USDHS" or "DHS".

• The cover letter will only list the primary documents. Documents not listed on the cover letter should be placed at the back of the packet. The order of the documents is not critical.

• Make sure to make a copy of your entire petition package including all of your supporting documents and evidence before sending it and keep it for your records. Do NOT send original documents or evidence. Some of the same documents and evidence that you file with the petition will also be necessary for the embassy interview so keep copies of everything.

• Note: **What is an "In Care of Name"?** An "In Care of Name" is only used if someone other than you must receive your mail. An "In Care of Name" is a way to send a letter to a recipient who is temporarily staying somewhere else. Do not put your own name for the "In Care of Name" or the letters will arrive addressed to you, in care of you.
